

PRE-OPERATION CHECKLIST

We know how worrying it can be when your pet is being admitted for surgery, so below is a quick check list to focus on before admission.

Please be sure to also check the discharge advice.

1	Is your pet well?	
2	Have you noticed any of the following - reduced energy, vomiting, diarrhoea, reduced appetite?	
3	Has your pet been starved or 6 hours before admission?	
4	Has your pet been to the toilet?	
5	Could your pet be carrying parasites - fleas, worms or ticks?	
6	Has your pet been imported from another country?	
7	Have you read and understood the consent form?	
8	If your pet is on a special diet have you brought some with you?	
9	Have you read and understood the discharge advice?	
10	If your pet is on medication have you brought it with you today?
